Dear Mr. Tilden:

In the spirit of the month beginning with National Friendship Day, we'd like to thank the Columbia Kiwanis Club for being a friend to Carolina Children's Home as shown by your recent gift of the three bags full of board games and playing cards for the Nord Rogers Cottage. It's through the continual support of the Home's friends that our staff is able to positively affect and change the lives of so many children who arrive at our doorsteps as unfortunate victims of abuse, neglect and abandonment.

As a group home to approximately 100 children, Carolina Children's Home provides food, shelter, nurturing, counseling and whatever else is needed to help these children and adolescents begin their life once more on a hopeful note. On behalf of the board, our staff and our children, thank you again for your continued friendship and for your belief in our mission of serving needy children.

Earnestly,

Keith Jones
Executive Director
