Friends:

The Columbia Kiwanis Club has been involved with helping children since its inception in 1920. It is our goal to make Columbia a better community in which to live, work and play - especially for our children. We are hosting our Golf Classic at Fort Jackson Golf Club on Thursday, May 6, 2004 in an effort to raise funds to enable us to continue to carry out our programs benefiting children and young people.

We sponsor a cottage at Carolina Children's Home, as well as Key Clubs at A.C. Flora, Columbia, Dreher, Eau Claire, and Lower Richland High Schools. We also sponsor The Circle K Club at The University of South Carolina. We sponsor and are active with The Terrific Kids Program in the public schools of Columbia. A new project for us is Heartworks of Columbia. We are joined with The Carolinas Kiwanis District in funding the building of a \$250,000 cottage at the Victory Junction Gang Camp in Randleman, North Carolina to enrich the lives of children with chronic or life-threatening illnesses. This camping experience, which is physically safe and medically sound, will create memories for these children of excitement and fun.

Please come together with us on May 6, 2004 for an enjoyable afternoon of golf and fellowship, but more importantly to help us benefit the children of our community. We have attached a flyer with this letter that provides all of the details of our Golf Classic. If you have any questions or need further assistance please contact the person that sent you this letter.

We of The Columbia Kiwanis Club appreciate your support of our community's children. If you would like to join us for a meeting or investigate our Club for membership, please do so. We can be reached via the Internet at our website: www.columbiakiwanis.org; or you can ask the member who provided you with this letter.

Thank you very much.
Sincerely yours.
