Dear Mr. La Motte:

On behalf of Prevent Child Abuse South Carolina, I want to express our heartfelt gratitude for your support of our organization. The \$400.00 we received from the Kiwanis Club of Columbia will allow our prevention efforts to continue as we further expand our coverage in all 46 counties across the state to provide important services through our Community Prevention Trainings and our statewide advocacy program.

Every hour in our state, between three and four children are abused or neglected. Prevent Child Abuse South Carolina and its affiliates are firmly committed to improving these alarming statistics and we know that we can no longer afford to focus solely on the "problem"—it's time to direct our vision and become the solution. Together, we can make a difference!

Again, thank you for making such a worthwhile commitment to the well-being of all children in South Carolina. We deeply appreciate your generosity in support of Prevent Child Abuse South Carolina.

Sincerely,

Cheryl R. Free
